## WHAT IS SOS MALTA?

SOS MALTA – SOS Malta is a registered Voluntary Organisation which works with local and international partners on projects at national and international level. It assists socially disadvantaged groups in improving quality of life, providing support services and opportunities to implement development and change. It encourages advocacy on behalf of social causes and promotes models of good care and practice. SOS Malta works on 4 pillars that encompass these objectives: Social Solidarity; Volunteering; Overseas Development; Research and Training. SOS Malta is also the EEA Fund Operator in Malta.

SOS Malta is one of the leading Civil Society Organisations promoting volunteering and active citizenship amongst the Maltese population for social good, investing in projects designed to tackle social inclusion and promote social solidarity. SOS Malta is also active in the development field, raising awareness on development and sustainability issues at the local and international level. These aspects of our work, social solidarity and global sustainability are brought together within this project CROP in a POT.
